Commissioner for Patents

The reply filed on September 22, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The listing of claims in the amendment must include that status of every claim, including the pending claims, canceled claims, and withdrawn claims. Additionally, claims that are listed as being withdrawn, must still include the text of the claim. In this case, claims 18-22 must be presented as being withdrawn, and the text of the claims must be included. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
